## Attendance Policy and Procedures

### Context / Belief Statement

At Manoora Primary School we believe schools should provide a safe, success orientated and caring environment. We believe that students need to attend school regularly in order to participate fully and gain maximum benefit from schooling. Regular attendance enables children to access a full education, enabling them to reach their full potential. School staff should set an example for students, encouraging and emphasising attendance and punctuality.

Our aim is to ensure all children can access equitable educational outcomes. Monitoring of school attendance enables identification of students at risk and the early implementation of intervention strategies. We believe the early detection and assessment of the causes of school non-attendance and the provision of organisational structures, which are responsive to the needs of students, is vital.

All members of the school community are expected to meet the requirements of attendance and work to the best of their ability and skill as consistently as possible.

**- Student attendance is everyone's business -**

### General

A child who is between the ages of 6 and 16 years is of compulsory school age, irrespective of distance from the school or whether the student has a disability or not. These students are required to be enrolled at a registered government or non-government school and must attend the school on every day instruction is provided unless the Minister has granted an exemption from school attendance (Children under six years of age and not under compulsion, once enrolled are required to attend school for the entire day school is open for instruction).

The primary responsibility for meeting this legal requirement rests with the parent/guardian. The responsibility for enforcing school attendance is with the Department for Education (DfE). The department therefore has legal responsibility to record and monitor attendance and take appropriate action to rectify problems of non-attendance.

## **Responsibilities**

### **Parent's/Student's responsibilities**

Parent/caregivers are responsible for getting their children to and from school.

- Children must attend school on every day when instruction is offered unless the school receives a valid reason for being absent (eg Illness).
- Parents/caregivers must provide the school with an appropriate explanation for the student's non-attendance. Usually this comprises a letter or telephone call from a parent/caregiver or a medical certificate.
- When a student is late for school, it is a requirement that the parent/caregiver explains the reason for lateness.
- Parents/caregivers must contact the school if an extended absence is likely and the appropriate form completed (ED175) which is to be approved by the Principal.

### **Teachers' responsibilities**
